Dear Sir

Mrs Wood will be most happy to see Mrs Leake and her friends at any time –

I left two flower pots for you at Mr Swiftes, but could not at the time obtain saucers for them –

I have a very decent entire horse of the carriage breed to which I have put ~~all~~ my mares – If you like to send one or two you are welcome, and they shall be taken care of until stinted –

I send on other side the bills for your acceptance as usual – and remain

Dear Sir your Obedient Servant
W Wood
