N.B. The Management beg to announce the Performance will be concluded, on Page 4 with the Great Lion Barrel slide for Life. Act.

Hobart  
21<sup>st</sup> Dec. 1893

Dear Miss Dollie

Thank you very much for the Photo, which is very nice, but I hope it will not upset your original intention of sending me the one in which

you came out in, as I should really like it awfully, dont you think it would make a nice Xmas Card to send anyone? I mean to send someone.

I am glad to hear you had such a grand time in Melbourne + Gippsland. I think I am going over in the beginning of January for a time

Bellerive has boomed forth recently with three private Assemblies in the Institute, which everyone, who went seemed to have enjoyed very much.

While as a set off

Hobart had a Ten Day (or thereabout) visit of Zillis Circus, which was very good especially it feats I have tried

to show. then we had a week  
of Brough and Boucicault,  
which was still better, I man-  
-aged to get there 6 times out  
of seven, and liked the Amazons  
best and then Niobe.

And now Bland Holt  
has arrived with his  
show, which opens on  
Bosnia night.

You did not tell

me, whether Flirt bolted with  
you or not. <sup>flow</sup> Are are your flow-

ers getting on. it is hard work  
to even raise a buttonhole in  
Hobart now & I have to con-  
tent myself with Sweet Peas  
which fade very quickly, but  
I hear they are supposed to  
keep

away Flies, so I wear them whether they are faded or not. A team of Melbourne Tennis players are expected here next week. Norman Batyles, is one of them.

There is to be a grand fancy dress Ball in the Exhibition Building on the 4<sup>th</sup> of the New Year. Are Mrs Foster and Jack <sup>and the Baby</sup> coming to Hobart this summer?

Last Saturday I saw The Viking & come in 1<sup>st</sup> in a Race, but she lost 1<sup>st</sup> prize by a seconds of a time handicap. Remember me to Mrs Leake & Miss Bell & Jack & Mrs J & the — (you know) if they are with you. Wishing you a jolly Xmas I am  
yrs sincerely

Math Seal jun.
